## PROFESSIONAL SUMMARY

As a highly skilled and experienced Web Developer, in designing and developing dynamic and responsive websites. My biggest achievement has been creating user-friendly and visually appealing websites that have helped businesses increase their online presence and revenue. I possess strong problem-solving skills, attention to detail, and the ability to work in a fast-paced environment. My expertise lies in HTML, CSS, JavaScript, and various CMS platforms such as WordPress and Drupal. Additionally, I am proficient in SEO techniques and have successfully optimized websites for better search engine ranking. With my passion for staying updated with the latest web development trends and my ability to work collaboratively with team members, I am confident in delivering exceptional results as a Web Developer.

## EDUCATION

Bachelor of Science (BS), University of Madras, India, Chennai

2023 - Now

I am II nd year undergraduate
